Your spend will make children better. And Manchester even better.

The New Children's Hospital Appeal will be launched in May this year and aims to raise £20million to help finance the building of the UK's biggest children's hospital. Located in central Manchester, this new hospital will have more beds, additional operating theatres, as well as outdoor play spaces, a place for teenagers to meet and "chill-out", and shower and sitting rooms for parents.

The appeal kicks off with 'Bob's Big Balloon Race' on 2nd May. To sponsor a balloon or to find out more, visit www.newchildrenshospitalappeal.org.uk or e-mail appeal.office@cmmc.nhs.uk
